Dedicated and creative Web Developer and Designer with 1+ years of experience in designing visually appealing websites and developing interactive, user-friendly interfaces. Skilled in HTML, CSS, JavaScript, and various design software. Strong eye for detail, problem-solving abilities, and a passion for staying up-to-date with new technologies and trends. Adept at collaborating with cross-functional teams to bring client visions to life. Looking to bring my expertise and enthusiasm for web development and design to a dynamic and innovative team.
